Maryland Business for Responsive Government

ANNE ARUNDEL COUNTY DELEGATION

Mark your calendar and plan to attend MBRG's review 2004 edition of *Roll Call* with the Anne Arundel County Delegation

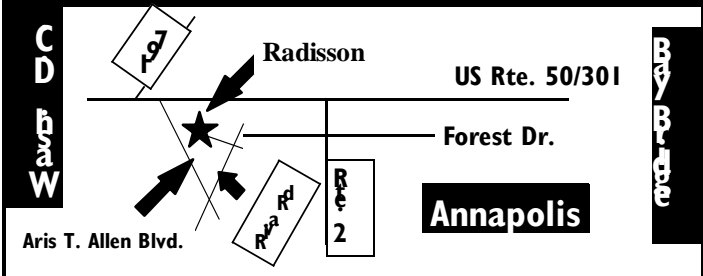

This event will provide business leaders and legislators with an open forum to discuss the 2004 edition of *Roll Call*. *Roll Call* is MBRG's signature publication that reviews legislation of interest to the Maryland business community and tabulates how legislators vote.

Since its creation, MBRG has provided effective, nonpartisan, political research and education that works toward improving Maryland's business climate. *Roll Call* has provided the most effective means for initiating communication and achieving consensus on public policy that affects the private sector.

Don't miss this opportunity to discuss these and other issues of interest to your organization with members of Anne Arundel County's legislative delegation.
